To Whom It May Concern

I had the privilege of working with Agnieszka Drzaszcz, during a week long Airport Assessment conducted in Krakow, Poland. As one of her International Clients, I was tremendously pleased with her professionalism and skills as an interpreter and translator. Ms. Drzaszcz provided a colleague and I with Polish to English interpretation during several meetings and briefings. Ms. Drzaszcz also dedicated additional time to translate documents necessary for completing our assessment.

Ms. Drzaszcz is an extremely talented and fast learner who was able to quickly grasp and understand the technical language used in the aviation industry. Ms. Drzaszcz was able to make the conversations between the Polish Government Officials, Airport Officials and myself flow smoothly with what appeared to be minimal effort on her part. She worked diligently over extended periods of time effectively expressing our concerns diplomatically.

I have worked with other interpreters over the past few years, and I feel that Ms. Drzaszcz's cognitive skills and abilities were above the norm. I strongly recommend Ms. Drzaszcz as an English interpreter/translator. She was a valuable asset to the success of our visit to Poland.
